RE: PM 1159 Australian 38436/85 - R&G 26851

Dear Ed:

Subsequent to our conversation of June 17, I have received a reminder (copy attached) on the response due to the outstanding action. While we have an acceptance date of November 1, it would be good to get someone to work with this case as soon as possible to provide assistance to Reddie & Grose where needed. The status of the remaining foreign filings is as follows:

Argentina	- 1st action in, R&G has responded with amendment
Brazil	- examination requested (new claims filed in line with Argentina and Australia
China	- examination requested; no action
Philippines	- granted
EPO	- search report in, examination requested in May; no action yet

I will be happy to send further information needed for coordination of the foreign prosecution when ready.

Regards,

Beverly
